

# HD-2X

## Hard Drive & Tape Degausser

**Now with 10,000 + gauss erasure field: ideal for lower volume and office environments**

The compact, economical HD-2X is for those who need to permanently erase data from hard drives or tapes, but don't need a high-volume degausser. Ideal in office settings, this quiet operation desk top degausser erases high coercivity (magnetic) hard drives up to 1.25 inches high, as well as the full range of tape cartridge media, without the need for adapters. Easy to use, simply place the media in the drawer. Closing the drawer automatically starts the degauss cycle. All data is completely erased in less than 60 seconds.

*HD-2X degausser shown with the IRONCLAD™ Erasure Verification and JPG Image Capture System: provides total complete, permanent, and verifiable data elimination.*

**On-board safeguards check stored power and display field strength during each erase cycle.**

### Features:

- Generates 10,000+ gauss (1 Tesla) magnetic erasure field
- Erases up to 480 (1.8 in.); 360 (2.5 in.); and 60 (3.5 in.) hard drives per hour
- Erases working and non-working hard drives
- Degauss cycle begin when drawer closes
- Built-in field verification system and on board diagnostics confirm magnetic field strength, ensuring complete erasure
- LCD display provides bar graph with numerical value to verify erasure
- Office quiet 60-second erase cycle
- Requires no cool down between cycles
- CE/ANSI certified
- Small footprint, fits on a desktop
- Lightweight (34 lbs.)
- Wheeled transport case (optional)
- **Compliant with:** CE • DOD Up to Secret Classification • FCC
- GDPR • GLBA • HIPAA • NIST SP 800-88 • NIST SP 800-36 • NIST SP 800-88r1 • PCI DSS 3.2 • PIPEDA

### SPECIFICATIONS

Power Supply	120V ±5%, 50/60 Hz - Standard
Power Consumption	Under standby 0.2A While charging 4.0A < 1 second At the time of ERASE 0.5A
Degausser System	Capacitive Discharge
Duty Cycle	Continuous
Erasure Time	60 second repetitive cycle
Magnetic Field	8,300 Oe, .83 Tesla
Certifications	CE, ANSI
Erasing Area Size	1.5 in. (H) x 4.5 in. (W) x 6.75 in. (D)

### SPECIFICATIONS

Media	Most hard drives up to 1.5" high including full height, standard and laptop drives, tape cartridges including DLT, LTO, 3590 Series, 8mm and more.
Temperature	41°F - 104°F (5°C - 40°C)
Humidity	10%H - 40%H (without condensation)
Weight	HD-2: 42 lbs. (19 Kg) Shipping: 49 lbs. (22.25 Kg)
Size	L x W x H inches. 12.25 x 17.50 x 7.25 in.
Warranty	1 Year Factory Warranty Standard, Optional 3 Year Factory Warranty available.

*DestructData the world's only full-scope data destruction solution-provider. We offer a full suite of customized data erasure platforms powered by any of the leading software brands, as well as a complete line of HDD shredders, degaussers and crushers.*
