

# HSM Powerline Hard Drive Shredder Series

The Powerline Series offers a choice of security levels

## Deploys Two Stage German Technology To Assure the Highest Levels of Security!

The dual stage Powerline shredder delivers the smallest particle size in the industry and has emerged as the best security option for shredding SSDs. The Powerline series has different models to accommodate varying data security or production requirements. Powerline shredders offer a multi-functional operating and display feature, Also including automatic stop and reverse when blockage occurs. German-engineered cutting knives plus heavy-duty motors assure a long and productive service life.

### Ask about Shredder Combo Packages: Match with Degaussers/Crushers/Erasure products

#### Exclusive Features:

- **Smallest particle size** available (.39" x 1" – 1.18" max)
- Hard drives and magnetic tapes (DLT, Ultrium, LTOs), optical media (CDs/DVDs, Blu-ray), credit and identity cards, USB sticks, Solid State Drives, Phones and PDAs.
- Best security option for **Solid State Drives**
- **Higher throughput** than comparable models
- **Large opening** for pre-crushed drives
- Two year warranty: longest in the industry
- Three models available depending on security requirements
- Energy-efficient motors comply with IEC 60034-30
- Automatic stop and reverse in the event of blockages
- Integrated hour meter

#### Product Specifications

Dimensions	(W x D x H): 41" x 120.4" x 66.8" conveyor height: 67"
Power Supply	220V/3 phase 60Hz.

<b>Dual Stage</b>	Cutting Size	.39" x 1" – 1.18" max
	Throughput / hr	2,500 items*
	Weight	2,777 LBS
	Db Rating	65-78
	Motor	4 + 4 + 1.34

<b>Single Stage</b>	Cutting Size	.78" x 1.18" – 2" max
	Throughput / hr	2,000 items*
	Weight	1,697 Lbs.
	Db Rating	65-78
	Motor	4 + 1.34

	Cutting Size	1.57"
	Throughput / hr	2,000 items*
	Weight	1,697 LBS
	Db Rating	65-78
	Motor	4 + 1.34

\* Hard drive throughput will vary depending on hard drive size, weight, quality, and proper power supply. All technical specifications are approximate values.
